Jack –

As executor of my father's estate and an officer for Arlington Homes of Alabama, Inc., I am excited to have you auction the houses and lots in Lake Forest. As discussed, the plan is to sell the houses and lots at an absolute auction and will sell them to the highest bidder. The corporation and estate will pass title to the purchasers at the conclusion of the absolute auction.

I am looking forward to having the opportunity to settle his estate and finish our commitment in the Lake Forest Subdivision.

Sincerely,

Allen Jones, III
