GT Team:

I am writing to thank each of you for the outstanding teamwork that went into the auction of my Homewood property. I was a novice to the auction methodology and appreciate your diligence and patience as I became a study. I am now a firm advocate of the method and only wish I had taken this path sooner.

Your confidence and years of experience are an asset to any project, but even more so they provided confidence to me throughout my campaign and auction that I had made a great decision and was in really good hands.

Thank you for your hard work and dedication to this project and for providing to me the benefit of a timely and as-is sale.

I will look forward to working with you all again in the future.

Best,

Sarah Kay Sexton
